

**BH-F (Engineering) Ltd changes its
company name to Fives Stein Ltd and
adopts the new visual identity of the
Fives group**

The Fives Group has been developing a unique competence both in industrial engineering and project management for almost two centuries. Our teams are recognised for their capacity to commit and deliver.

Our multi-sector expertise, which allows us a global vision of key industrial issues, is a powerful source of innovation for industrial solutions combining technology, safety and profitability.

“Designing today the plants of the future” is a shared credo within the whole Fives group.

To express the strength of our network, all group entities will adopt the new Fives visual identity.

Therefore, from 1st December 2007, **BH-F (Engineering) Ltd** adopts the new visual identity of the Fives group and changes its name to **Fives Stein Ltd**.

Please note that **our legal terms and conditions are unchanged**.

In accordance with its commitment, **Fives Stein Ltd** will continue to provide you both the technology and the performances under the **BH-F Technology brand name**.

We are delighted to share with you the benefits of Fives's development.
